# VISION STATEMENT

- ❖ To be effective Bridge Builders through teaching biblical principles and intercessory prayer, which will lead mankind to follow after God, thus live a holy and righteous life to its' fullest.
- ❖ To equip the saints to minister to the less fortunate , hurting, lost, and the least likely to succeed. We will seek to be, as well as to teach others to be, Christ-centered and to settle for nothing, less than God's best, "Abundant Life in Him".
